

Eastside Community Land Trust Questionnaire

In order to move the project forward we need to bring together a group of people who be interested in living and/or working in the Ecohub and who would commit the time to work with us to shape the scheme and to assemble the resources needed to get it off the ground.

Please note that by filling in this questionnaire you are not committed to anything - at this stage we are just seeking people who are interested enough to want to find out more and potentially be involved.

Are you interested in being part of the pilot 'land trust' in Digbeth?
